## Power Cleaner

### General Product Description

<b>Product description</b>	A universally applicable cleaning agent for outboard and in/on-board areas. Cleans tar, oil and other stains reliably. Contains the active substances of natural essential citrus oil and coconut fat acids.
<b>Areas of application</b>	Hulls, fenders, decks, engines etc.
<b>Constituents</b>	Essential citrus oil, coconut tenside, water, cellulose, vegetable-based emulsifier
<b>Storage:</b>	Keep tightly sealed and out of the reach of children. Store in cool but frost-free conditions.
<b>Can sizes:</b>	1 l.
<b>How to use</b>	
<b>Application</b>	Shake Power Cleaner well before use and spray or rub thin layer onto contaminated surfaces. Do not use in direct sun-light. Leave to soak for approx. 15 minutes depending on the degree of the contamination. Clean surfaces with brush, cloth, web etc. Rinse well with water. In case of persisting contamination repeat course of action. In case of plastic and painted surfaces test compatibility with Power Cleaner before use.
<b>Safety advice</b>	Keep tightly sealed and out of the reach of children. This product contains essential citrus oil as a solvent. This product must not be swallowed.
